**The Fifteenth International Conference on Sensor Device
Technologies and Applications
SENSORDEVICES 2024**

November 3 - 7, 2024 - Nice, France

<http://www.aria.org/conferences2024/SENSORDEVICES24.html>

Important deadlines:

Submission (full paper)	July 7, 2024
Notification	September 9, 2024
Registration	September 24, 2024
Camera ready	October 4, 2024

Tracks:

- Trends on sensing devices and applications
- Sensor devices
- Ultrasonic and Piezosensors
- Magnetic sensors
- Photonics
- Infrared
- Gas Sensors
- Geosensors
- Sensor device technologies
- Sensors signal conditioning and interfacing circuits
- Medical devices and sensors applications
- Sensors domain-oriented devices, technologies, and applications
- Sensor-based localization and tracking technologies
- Sensors and Transducers for Non-Destructive Testing
