**The Eighteenth International Conference on Advances in  
Satellite and Space Communications  
SPACOMM 2026**

**May 24 - 28, 2026 - Venice, Italy**

<http://www.aria.org/conferences2026/SPACOMM26.html>

**Important deadlines:**

Submission (full paper)	February 7, 2026
Notification	March 22, 2026
Registration	April 5, 2026
Camera ready	April 19, 2026

**Tracks:**

- Signal processing in telecommunications
- Remote sensing
- Global coverage via 6G/7G: integrating 5G and IoT with satellite networks
- Antenna/Radar signal processing
- Satellite and space communications
- Delay tolerant networking
- Satellites and nano-satellites
- Geographic Information and applications
- Satellite/space communications-based applications
- Radar systems
- Antennas
- Radio
- Warfare
- Galaxy-scale satellite communications and exploration missions
